

# Vision Document of Dangs District for 2022

---

## 1. District Profile

The Dangs, district administrative headquarters are located in Ahwa. The Dangs have an area of 1,764 km<sup>2</sup> and a population of 2,28,291 as per census 2011. As per the Planning Commission, Dangs is the most economically distressed district out of 640 districts in India. Saputara and Waghai are important places in this district.

District has 3 talukas. Ahwa, Waghai & Subir. The district has a population density of 129 inhabitants per square kilometre (330/sq mi). Its population growth rate over the decade 2001-2011 was 21.44%. The Dangs has a sex ratio of 1007 females for every 1000 males and a literacy rate of 76.8%. In 2006 the Ministry of Panchayati Raj named Dang District as an economically distressed district. Dang District has part of a forest that includes Purna Wildlife Sanctuary. Main rivers are Purna, Ambika, Khapri and Gira. Saputara is the only Hill station of the state. Its location is 900 meter (2952 ft) above mean sea level.

As a part of "Sankap se Sidhhi", Dangs district presents a vision document after detail interaction & taking inputs from line department officers, elected members, students, professors, NGOs etc.

2. Selected indicators for vision 2022 New India Manthan initiated by Hon'ble Prime Minister invoked a churn among the various stakeholders of the district forward in the direction of inclusive and holistic development the District envisages following way forward.

1. To improve connectivity (mobile, internet, road and public transport).
2. To improve quality of primary education.
3. To improve water availability (drinking and irrigation).

4. To develop Dangs as the Ecotourism District.
5. To make horticulture, mushroom, cultivation, bamboo craft and MFP produce and its value addition as drivers of local economy.
6. To make Dangs a Smoke free District by providing LPG gas connections and making the district kerosene free.
7. To increase financial inclusion in the district through increase in banking facilities, ADHAR seeding, BHIM App payments, DBT, digital payment, GST implementation etc.
8. To provide impetus to Subir Taluka for developing infrastructure in health, banking, education, government installation to give equitable development in this region.
9. To improve health indices especially in malnutrition elevation, sickle cell, anemia and maternal mortality rate.
10. To reduce Migration to other areas by providing local employment opportunities, improvement in agricultural productivity and skill development.
11. To improve swachhata/Sanitation in the District, through public movement.
12. To improve tree cover outside forest area and maintain the green cover in the District.
13. To increase the public outreach of government functions in District through field visit and input.
14. To improve transparency in district administration through the use of GEM, e-tender, E- auctions, e-services and e-grievance redressed.
